

SUMMER SENSATIONS 2019

Come join us for 3 weeks of awesome summer fun! Payette Lakes Community Association will be hosting our Summer Sensations summer camp throughout July. Drop off and pick up will be at Barbara-Morgan Elementary school cafeteria. Day camp begins at 9am and ends at 5pm. Campers will explore the McCall area on field trips, meet important locals, learn amazing things about nature and themselves, and so much more!

Week 1 will be all about STEAM- Science, Technology, Engineering, Art, and Math. We will be exploring this diverse topic through imagination, creation, and collaboration. Kids will engage in hands on projects with a purpose.

In week 2 we will take on the elements- water, fire, wind, and earth! We will learn all about how incredible nature is and what that means for us as humans. And of course we will be exploring water through swimming.

Week 3 is all about challenges. Learning to work together with a team is a lifelong skill. Take on scavenger hunts, obstacle courses, relay races, and much more throughout this very active week!

Dates and Times:

Monday-Friday 9am-5pm

Week 1- July 8th-12th
